

NOTICE BOARD – SATURDAY 24 MARCH

Proposed Amendment of Tree Management Plan

The City of Ballarat gives notice that it proposes to amend its Tree Management Plan (TMP).

The purpose of the proposed amendments is to incorporate into the TMP inspection frequency and defect rectification schedules to ensure appropriate management of Council's tree assets.

The amendments will ensure that the standards and priorities to be given to the selection, planting, inspection, maintenance and repair of the tree assets to which Council's TMP applies are safe and efficient. These amendments have taken into account relevant policies, legislation, Australian standards and available funding and resources. The amendments apply to all of the street trees and parkland trees in the Municipality for which Council is responsible, unless otherwise stipulated.

A copy of the proposed amended TMP may be obtained or inspected at 25 Armstrong Street South, Ballarat, or accessed at: ballarat.vic.gov.au from 26 March 2018.

Any person may make a submission on the proposed amendments to Council by 5pm, 23 April 2018. Submissions must be in writing, marked as "Proposed Amendments to Tree Management Plan" and addressed to: Safety, Risk and Compliance Services, City of Ballarat, PO Box 655 Ballarat 3353; or by email to ballcity@ballarat.vic.gov.au

Any enquiries about the proposed amendments can be directed to the Executive Manager Safety, Risk and Compliance Cameron Montgomery on (03) 5320 5503.
