

Street name and City "flag" symbol 100mm high. Symbol to be at same end as mount on both sides of sign. Camera ready artwork for symbol can be supplied if required.

1. **SIGN LENGTH:** Where a sign more than 1200mm long would otherwise result, the symbol may be omitted, or narrower lettering may be used subject to note 4.
2. **BLADE MATERIAL:** Blade shall be made of extruded aluminium not less than 2.5mm thick at any point, with strengthening ribs on top and bottom edges.
3. **COLOUR:** All signs shall have reflective **WHITE** letters and symbol on non-reflective **BLUE** background. Class 1 retroreflective material complying with AS 1906 part 1 shall be used for logo and lettering.
4. **LETTERING:** All letters and numerals shall be Series D, as specified in AS 1744. Where a sign longer than 1200mm would result, lettering may be made proportionately narrower, but shall not be narrower than Series C lettering.
