

APPLICATION FOR ITINERANT TRADING PERMIT

Annual Permit

Information for Applicants:

In addition to this application form, the applicant is required to provide Council with a copy of the following:

- A **Certificate of Currency** of a **public risk insurance policy** with a minimum cover of \$20 million, listing the City of Ballarat as an Interested Party. This document can be obtained by contacting your insurance provider (please note that a tax invoice, a schedule of insurance or any other similar document is not a certificate of currency).
- A full description of the nature of the business, including details of days, hours and times of operation, expected numbers of customers/clients and pictures of any vehicle used (if applicable) proposed to be located on Council controlled land and a precise site plan of the location.
- Any other information that the issuing officer deems necessary or requests as part of the application.

Payment and Fees:

On receipt of your application, a Council officer will undertake a review of your proposal and conduct an inspection to determine the suitability of the site, taking into account the Guidelines attached to Clause 41 of the Community Local Law 2017. If the proposal is considered suitable, a schedule of fees requesting payment will then be sent to you, along with an Asset Pre-Commencement Report form. Once payment has been received and the form returned to Council's Asset Management Section, the permit will be issued, and trading can commence. The current Permit Fee is **\$550.00**.

Permit fees are per annum. A renewal notice will be sent prior to expiry of the permit.

Permits are accepted under Clause 41 of the City of Ballarat Community Local Law 2017 and will be issued subject to the conditions contained thereon and compliance with the City of Ballarat Community Local Law 2017.
